SUBJECT: Amendment #H03, to amend the FY 2010-2013 Statewide Transportation Improvement Program (STIP).

Dear Mr. Hartman and Mr. Krochalis:

May Idaho Transportation Board Meeting

The Board approved amending the FY2010-2013 STIP to add two discretionary-funded projects:

Key No.	Project Description Route	Work Type Cost	Fiscal Year
FH001	FH-66, Trail Cr Hwy Stg. 1, Custer Co. STC-6868	Reconstruction \$3,750,000	FY2012 NEW; PLH Discretionary Program
NTSI1	National Summer Transportation Institute University of Idaho	On-the-Job Training & Supportive Services \$58,000	FY2010 NEW; FHWA Discretionary OJT Program

These projects do not need to be added to a Transportation Improvement Program (TIP).

Public involvement is not required nor are there any air quality conformity requirements. The Idaho Transportation Department certifies that the above project action was in accordance with all applicable requirements as described in Section 450.218 of the Statewide Planning Regulations, dated February 14, 2007. The STIP continues to be consistent with the Statewide Transportation Plan as approved by the Idaho Transportation Board in July 2004 and remains fiscally constrained.

Sincerely,

MATTHEW E. "Matt" MOORE, M.A.
Transportation Planning Administrator
